## DISASTER IN THE WAKE OF PROGRESSIVE CAMPAIGN

Of the ten newspapers established in Indiana in support of the Progressive party the last has now suspended publication. The publisher says the ten thousand dollar loss would be materially reduced if those who urged him into the venture would just pay up what they personally owe.—Reno Gazette.

Which reminds us that if one H. B. Lind, state manager of the Progressive campaign in 1912, would pay the advertising bill contracted for the progressive organization, with this paper, our "loss" would be materially reduced. The only financial bunk this paper had in the campaign of 1912 was from the progressive organization. Not a cent was lost on any other campaign account.—Mason Valley News.

## "MOTHER" JONES WILL BE HEARD BY COMMITTEE

## INVESTIGATORS TO ARRANGE FOR A QUIET HEARING

(By Associated Press.) DENVER, Feb. 17.—Governor Ammons telegraphed Chairman Foster of the congressional committee that he would grant the request of the investigators to examine "Mother" Jones, who is confined incommunicado as a prisoner of the national guard, but advised them to meet her in Denver, rather than in Trinidad, or see her in the hospital where she is detained, to prevent "danger and trouble."

Counsel for the strikers had demanded that the investigators examine Mrs. Jones.

## WILSON MAY VETO LITERARY TEST OF HOUSE BILL

## SENATORS WILL NOT CONSENT TO ANY CHANGE IN TERMS

(By Associated Press.) WASHINGTON, D. C., Feb. 17.—The best informed officials in Washington were surprised by the announcement that President Wilson will veto the Burnett immigration bill, if it passes congress, because of the much discussed literacy test. Previously it was supposed the president favored the literacy test clause. Senators, both Republicans and Democrats alike, said the literacy clause will be retained despite the prospects of a veto. It is expected the bill will pass by a big majority.

Charles Dushkind of New York, representing ten independent tobacco manufacturers, asked the house judiciary committee to have the Sherman law enforced, and not amended or changed.

## DEAD WOMAN LIVED ON BROUGHER AVE.

## MARRIED TO A TIMBERMAN AFTER BEING DIVORCED IN VIRGINIA CITY

Mrs. Gertie Gundry, who was slain by Mace McCubbin in Reno Saturday night, has been identified as Mrs. Johnson, who formerly lived at 513 Brougher avenue. She had been divorced in Virginia City from Gundry and married to Johnson, who was then employed at the West End as a timberman. Later he went to the Extension and soon after Mrs. Johnson was divorced and resumed her former name of Gundry. She was considered a rather pretty woman, of fascinating manners, and seemed to be devoted to her three children. Johnson went to Manhattan and Mrs. Gundry said she was going to Reno to work for a living.

## MARCH TWELFTH IS DATE SET FOR NEXT CONTEST

## LYDON AND HARRIS AND GRAM AGAINST KID GEORGE

The Tonopah Athletic Club has completed preliminary arrangements for a boxing contest that will give lovers of the manly sport a chance to decide for themselves the respective merits of a couple of men well known in Tonopah. The committee of arrangements has consummated contracts for the appearance of four of the best known fighters, and, when the preliminary events are filled out there will be one of the best programs ever presented here.

Freck Lydon, the favorite, will appear again, pitted against Kid Harrison, the Reno boy, who appeared here three months ago in a bout with "Wildcat" Altman. He is in splendid shape and will give Freck all he can do to take care of himself without having a one-sided affair.

Graham will go against Kid George, a man of extended reputation and one who has appeared a hundred times in the ring with a majority of the decisions in his favor.

The Nevada theater has been engaged for the evening of March 12, and as soon as the bill is filled out tickets will be placed on sale here and in Goldfield at the usual places.

## BURIAL OF SEN. BACON WAS VERY SIMPLE ONE

(By Associated Press.) WASHINGTON, D. C., Feb. 17.—The funeral of Senator Bacon of Georgia was held from the senate chambers and was an impressive service and inspiring in simplicity.

It seems impossible to overtax people's credulity. It is a source of revenue for sharks but not for government.

## AMUSEMENTS

## BUTLER THEATER

At the Butler theater this evening one of the best programs ever seen in Tonopah will be shown, as follows: "Sophie's New Foreman," an Essanay comedy, featuring Alkali Ike; a ranch comedy which will keep you in an uproar from start to finish, and a three-reel Vitagraph, "The Wreck," probably one of the most thrilling photo-dramas ever put on the screen. Through jealousy a manly young chap losing his life by the hands of an enraged husband, who does not stop to make sure whether his suspicions are justified. Resulting from this act the husband's home is wrecked and he almost loses his mind in his sorrow. For he finds out, too late, that the boy was innocent. A just retribution takes place when he loses his son in a terrible railroad wreck which shatters all of the cars and the great express train into splinters and kills hundreds of passengers. The head-on collision in which this takes place is something overawing to behold; it is like the mighty smashing of two great speed demons in mortal combat. Next Saturday a free matinee to all children.

## ELKS REGULAR FORTNIGHTLY HOP

The Elks will hold their semi-monthly dance tomorrow evening instead of on the regular Thursday. The committee in charge of the program have engaged the best orchestra and the rest of it may go unsaid, as everybody knows that the Elks never do things half way, and their guests are always assured of a good time.

If it's of exceptional value at the price, it's sure to be advertised in the Bonanza, else the merchant would be hopelessly unprogressive.
